DEDICATED TO A VISION | Challenge, Playability, Natural Beauty

**DONALD ROSS**, the famed Scottish-born golf course architect, created **MIMOSA HILLS GOLF AND COUNTRY CLUB** in 1929, taking painstaking advantage of Morganton's natural beauty and phenomenal panoramic mountain views. We recently completed a thorough restoration of the entire course, preserving the integrity of his design while keeping an eye on the future of the game. Visit **MIMOSA HILLS GOLF AND COUNTRY CLUB** – where history and tradition meet timeless perfection.

Our outstanding golf course is just the beginning. The Blue Ridge Mountain skyline that captivated Ross provides one-of-a-kind backdrops for walking golfers. Seven holes lead back to the clubhouse.

Aside from our reputation as one of the finest walking courses still in operation, **MIMOSA HILLS GOLF AND COUNTRY CLUB** offers sport and fitness, dining and leisure. Our first-rate pro shop, dining rooms, and swimming pool and tennis complex enhance our list of membership amenities.

A RARE GEM | One Of the Few Remaining Walkable Tournament-Quality Golf Courses

**MIMOSA HILLS GOLF AND COUNTRY CLUB**, one of the earliest courses designed by sought-after

golf architect Donald Ross, is home to such golf celebrities as Billy Joe Patton, Joe Cheves, Matt Peterson, Dana Radar and others.

In 2003, this course was meticulously retrofitted to Ross' ingenious 1929 design. In typical Ross fashion, bunkers are aggressively positioned to create challenging shot angles. Every hole accommodates and challenges players of all skills – five sets of tees range from ladies tees at 5,000 yards to championship tees at 6,750 yards.

Golfers can choose to use carts on the paved and discreet cart path or may more thoroughly appreciate the astonishingly beautiful design by walking the course.

The course turf is hand-crafted to ensure consistent and competitive play

throughout. It meets all USGA standards. Each green is surfaced with A-4 Bent Grass; tees and fairways with groomed Bermuda Grass.

**MIMOSA HILLS GOLF AND COUNTRY CLUB** offers thorough practice facilities for all elements of the game. In addition to coordinating a host of golfing services and activities, the experienced staff at our pro shop can outfit members in the finest golf equipment and apparel available.

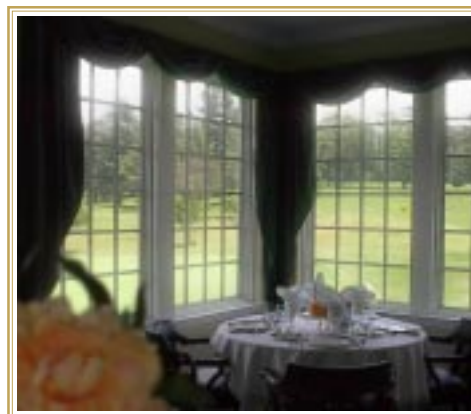

Golf tournaments are held for members throughout the year and include social events for families and guests.

**MIMOSA HILLS GOLF AND COUNTRY CLUB** also hosts several important regional golf events.

CONTINUATION OF A CLASSIC | State of the Art for Generations to Come
